HELPFUL HINTS

For best results, be sure to use the yarn recommended in the pattern, and purchase enough of one dye lot to complete your project. It is a good idea to retain ball bands in case of inquiry.

Before you begin to knit, check your tension by making a test swatch and adjusting needle sizes, if necessary, to obtain the tension quoted in the pattern. Inaccurate tension results in a garment too large or too small. Even a variation of half a stitch makes an obvious difference in the finished size. Loose tension can result in the garment losing its shape during wear or laundering. Before beginning, read the instructions and underline all figures applying to your size. Sizes should be chosen from actual bust or chest measurements and not age or ready-to-wear sizes.

Note: Never put an Iron directly on synthetic yarns.

If pressing is required before assembly, lay each piece right side down on a clean, flat surface and pin to size using rust proof pins. Cover with a damp cloth and leave to dry.

WASHING INSTRUCTIONS:

Patons Canadiana and Beehive Astra: Machine wash. Machine dry.

Beehive Shetland Light and Patons Super Wool: Machine wash. Dry flat.

MACHINE WASHING

Do up buttons and turn the garment inside out. Wash the garment, preferably on its own, with a gentle cycle, using warm water and detergent. Softener may be added to the final rinse. Do not use bleach.

MACHINE DRYING

Tumble dry at a low setting. Do not over-heat.

HANDWASHING

Note the measurements of the garment before washing. Thoroughly dissolve soap or mild detergent in lukewarm water. Place the garment in the suds and squeeze gently. Do not rub or leave to soak. Support the garment with your hands as you remove it from the water. Rinse twice in clean, lukewarm water. Remove excess moisture by rolling in a thick towel. Dry flat.

DRYING FLAT

Do not wring, twist or hang to dry. Lay garment on a flat surface away from lights, sunlight and excessive heat. While still damp, gently push garment back to its original measurements.

DUPLICATE STITCH

- 1) Bring needle up through centre of stitch from back of work and
*insert from right to left behind stitch immediately above.
- 2) Bring needle down through centre of original stitch and out through centre of next st to be worked.
- 3) Repeat from * to continue.
